That woman is a success . . .
Who loves life
And lives it to the fullest;
Who has discovered and shared
The strengths and talents that are
Uniquely her own;
Who puts her best into each task
And leaves each situation
Better than she found it;
Who seeks and finds
That which is beautiful
In all people . . . and all things;
Whose heart is full of love
And warm with compassion;
Who has found joy in living
And peace within herself.

I want to love you
Without clutching
Appreciate you
Without judging
Join you
Without invading
Invite you
Without demanding
Leave you
Without guilt
Criticize you
Without blaming
And help you
Without insulting.
If I can have the same
From you
Then we can truly meet and
Enrich each other.

Glad I got to know
you this year Jeff
See you next year.

With a convincing 26-8 rout of North Thurston in the second game of the year, the Juanita Football Team set the stage for it's 13-7 victory over Redmond which was the Rebels' first KingCo win since 1975. Swimmers Fulfill Coach Expectations

Free, butterfly, back and breast are the four basic strokes in swimming. JHS Boys Swim Team swims 4,000 to 5,000 yards everyday, after school using these strokes. Under new guidance by Coach, Mr. Dave Ganahl, the Boys Swim Team jumped off to a tremendously good start. They finished their season with a 7 win 3 loss record. Jeff Ranniger expressed, 'I have been swimming for about five years now and Coach Ganahl is one of the best.,,

Jim McGordy and Tony Love swam freestyle, Rob Renshaw and Dave Manzoni the butterfly, Todd Brink and Brad Hunter the back stroke and Jeff Ranniger and Duane Morris swam the breast stroke this year. Swimmers Stroke To Easy Win

The Girls' Swim Team finished their season with an 8-4 record. Outstanding victories were the October meets agaist Bothell, 130-38 and Redmond; 110-6l.

The early season 92-80 win over Sammamish proved very inspirational. The victory had evaded swimmers for 10 years.

New coach, Mrs. Jefri Donovan played an important team role. "Mrs. Donovan really pulled our team together," commented LeAnne Desilet. Weight was stressed more than in former years and many girls dieted to improve their times. "But I feel it was Coach Donovan's positive coaching tchnique which gave us so much spirit", explained Andreah Head.

Seven of the 28 swim team members qualified to compete in the State meet. Kelly Gates in the 100 yard backstroke and medley relay, LeAnne Desilet in the 100 yard breaststroke, 200 yard individual relay, and freestyle relay and Patty Hutchinson in 100 yard freestyle, 200 yard individual relay, and freestyle relay. Allyson Warshal in medley relay, Jenny Churchill in medley relay and freestyle relay, Tessie Grimmett in 100 yard breaststroke and medley relay, and Kim Gates in 500 yard freestyle and freestyle relay.

It was the team's wins against tough competition that raised confidence to finish second at the Regional Meet.

Wrestlers Take Down Opponents

The Wrestling Team had a talented blend of youth and experience as they fielded perhaps the strongest team in Juanita High School's history. Coach Mr. Chris Peterson, in his second year as head coach wrestled five sophomores, three juniors and five seniors on the Varsity Team.

The Rebels participated in the Edmonds Invitational Wrestling Meet in January. In a field of nine schools the team exhibited strength while finishing high in the team standings.

Juanita, making one of it's finest showings in KingCo, was led by 158 pounder John Bourque, 115 pounder Mike Spurr, 108 pounder Corey Brown, 135 pounder Mark Hazard, 190 pounder Jeff Dale and heavyweight Randy Sanders.

The Rebels lost five lettermen to graduation; Charley Engler, Mark Hazard, Bill Spurr, Team Captain John Bourque and Jeff Dale. Juanita's fine season gives evidence that the Rebels are fast becoming a KingCo power.

Gymnasts Vault into a New Year

The girls gymnastics team, although not winning many matches was constantly improving. With the help of new coaches Miss Sandy Clark and Miss Julie Harrison the young team improved its record with new routines.

The team was composed of mostly sophomores. The three seniors, Debbie Frenna, Kari Rodewald and Deidra Large helped direct the team through the season to reach their potential.

The squad had two outstanding gymnasts Jill Roland and Beth Herner. Jill was an all around performer and a qualifer for state while Beth was also an all around performer.

"Jill and Beth were really hard workers while being leaders for the rest of the squad," explained coach Harrison.

Along with holding their regular home season gymnastics matches the Juanita team hosted the February 12 Kingco Gymnastics championships. Eleven schools were represented in the meet with each school bringing its top athletes. The meet was a lot of hard work but a complete success.

"The more the season wore on the more the team found dedication along with improvement." reported Coach Clark.

Gymnasts Strive For Advancement

Our Boys Varsity Gymnastics Team strived their eay through the 1980-81 sports season. They kept their team determination and togetherness throughout. The lack of funds and Title nine law prohibited league action participation. Title nine is a federal law requiring equal boys and girls sports.

Coach Mr. Sergio Luna organized an intramural program allowing the 15 members to practice after school gaining knowledge and experience on the bars, mats, rings and pommel horse.

The competition consists of four events. The floor exercise, the parallel bars, the rings, and the pommel horse. All team members excelled in the floor exercise with Brad Lobdell the leading performer. The two all-arounds Omar Luna and Khiem Lai were well conditioned. Dave Nelson's significant event was the pommel horse and Greg Aubrey vaulted. Tolin Annis specialized on the parallel bars and Steve Worley the high bar.

Coach Luna boasted, "Not many people are born gymnasts". He's very proud of his team and feels they improved throughout the intramural season.

Golf And Bowling Tee Off

"We're trying to rebuild the awareness of golf." commented Mr. Glenn Greer, coach of Juanita High School's golf team. "We need to attract some more good golfers, boys and girls." Mr. Greer stressed that this years' golf team was still very young and looked promising.

Ken Martin finished 14 out of 53 golfers at KingCo, the best individual finish in seven seasons. Kirk Johanson was very consistent through his season, and really helped the team along. The team finished ninth at KingCo.

The bowling team, also coached by Mr. Glenn Greer was super. There were 10 girls and 10boys selectd from the 38 that tried-out. "The unity was great to be a part of. Everyone was really close." stressed Coach Greer, team members agreed. The boys team had good depth, while the girls were as strong and did well during their season.

The highlight of the bowling season was the Second Annual Faculty Invitational. This invitational combined students and staff into teams which gave the staff a chance to experience bowling as a competetive sport.

Rebel CC Sets Stately Trail Pace

"The coach and team had a lot of fun and will remember this season throughout their careers" boasted Mr. Karl Weiser, Cross Country Coach, "we had a real banner year." The 15 member team more than met Coach Weiser's expectations for the season. The team had an extra challenge this year with the lengthening of the course from two to three miles. At the end of the regular season the boys had a 1 and 8 win loss record, and the girls finished 2 wins and 6 losses.

In an excellent showing at Kingco Jerry Ljunggren sprinted to sixth place. The boys came away from the Kingco meet with tenth place, while the girls raced to an amazing fourth place.

Sue Lantz ran an outstanding race at District for tenth place. The girls team placed sixth at District, making them eligble to run in the State Meet. This was a first for Juanita in girls Cross-Country.

The State Meet started out thunderous but the Rebel girls braved the weather to a successful 13th place team finish. Inspirational Awards went to Sue Lantz and Clifton Jackson at the annual banquet. Jerry Ljunggren and Collen Baker were named team captains by their teamates.

Rebel Records Fall to "80-81" Athletes

1980-81 proved to be a very good year for breaking records as previous school marks were surpassed in almost every sport.

The assult upon the records began in the fall when the football team won two games which was not a record but certainly a relief. Corner-back Bob Knigge set a school record of seven interceptions for the season and was only three off the KingCo mark of ten. In another fall sport, the girls tennis team finished with a 7-3 record, posting the best record in the schools history.

The winter sports topped more records than both the fall and spring seasons. Two bowlers, Karen Felt and Greg Piontek finished the highest ever in the KingCo Singles Jamboree. Karen finished second and Greg third. The Wrestling Team had it's finest season as they fielded a 7-2 record and a third place KingCo finish. Two wrestlers, Jeff Dale and John Bourque were KingCo champs. John finished with a record 25-4 season mark and ended up fifth in the state, the best in a for any Juanita wrestler AAA School.

In Basketball, Rodnie Taylor broke the Juanita career scoring record of 1208 points, previously held by Grant Cussac. Don Sparling scored 42 points against Mt. Lake Terrace to break Steve Jacksons old record of 40. Taylor later tied Sparlings with a 42 point effort against Kentridge. Both Sparling and Taylor were KingCo All-Stars for the second straight year. The girls basketball team was the first team to grab the KingCo title championship during the '80-'81 season, first in our 10 year history. The girls routed Interlake to avenge their only loss of the year. Guard, Stephanie Secord and center, Lisa Plankey were KingCo all-stars, making three straight years Stephanie was given the honor, which is another school record.

The spring season proved to be another strong one for Rebel sports as Juanita Boys Baseball, Girls softball and Girls soccer were among the top KingCo teams in their respective sports. In Boys' Baseball, Don Sparling a three year KingCo all-star held the batting average record for the school and most hits along with being one of the top pitchers the school has produced.

Juanita was the team to beat this year in Girls' Soccer. Hope Grimm and Nancy Niemic who competed on the team as freshman were KingCo All-Stars for the third straight year. The Senior dominated Girls Softball team was perhaps the schools' stongest ever, being a KingCo power.

The combined Boys and Girls team records placed Rebel Athletics on top of the KingCo ladder of success for the 1980-81 school year.

Reb Hitters Lead Way To Victory

The 1981 Boys Varsity Baseball Team continued Juanita's past successes; being a contender for the KingCo Title. The Rebels returned a strong nucleus of seniors who were joined by an excellent group of juniors and one sophomore. Juanita had good depth at every position including a top pitching staff.

Returning All-KingCo performer Don Sparling led the way as the leagues top pitcher and a awesome hitter. Lew Temple and Jeff Dale shared the duty of catching; Sparling, Jon Root, Brian Webster, and Steve Newsham comprised the pitching staff. An air-tight infield was led by Eric Johnson at third base, Walt Hogg shortstop, Greg Keller at second base, and Sparling, Webster, and Newsham alternating at first base. The outfield was anchored down by Vince Caluori in center field, Rick Simpson left field, and Kerry Phelps in right field with others also rotating in the outfield.

In an early season game the Rebels routed a supposedly tough Nathan Hale Club to show Coaches Mr. Gary Groenen and Mr. Ted Heid great potential. This and other season wins gave Juanita an exciting season.

Jay Vees Slide To Supremacy

The Juanita winning spirit was kept alive and hitting by the Junior Varsity Diamond Players.

The Girls fielded an enthusiastic and hard hitting lineup. Out on the mound, Kary Cowley led the way. Veteran Kris Pike kept first base covered with experienced play. The plays at second were kept in check by the aggressive style of play of Pat Culleeny. Rounding out the infield were precision players Teresa Reynolds and Kathy Nelson. The ladies were directed to impressive wins throughout their season by Coach Mr. Tim Crowder.

Coach Mr. Ken Broches in his fifth season at Juanita, guided the Boys team to hard earned and well deserved wins. The young team's pitching was led by Tom Root with Chris Cochran, Casey Wayman and Ken Charawell in the bullpen. The pitching staff also rotated positions in the infield. Other talented playes were versatile teamates thirdbaseman Dennis Naish and shortstop Eric Ullery. With an outstanding success over perenial power Newport, the baseballers were on their way to a competitive season.

The Diamond season started out slow due to spring rains, but as the weather improved so did the team, adding to the Rebel Pride with two shining successes

Rebel Bats Swing to Success

"Our goal is to repeat as KingCo Champions and go on to win state" commented Mr. Jerry Breymeyer as he entered his sixth season as head coach of the girls softball team. This year's team of fourteen strong players, included ten returning members of the 1980 KingCo Championship team.

Karla Jagle, Lisa Fosse, and Lisa Plankey helped the team with their strong hitting. The Rebels infield was strengthened by the play of Lisa Navarro at first base. Katie Sarver, a rookie to the team, contributed strong play at second base. Stephanie Secord had an outstanding year at short stop with many spectacular plays. A new addition to this year's team was third base person Lisa Plankey who had a good year all around. Karla Jagla and Leslie Smith each did an excellent job of guarding the plate with some outstanding plays. The tremendous play of outfielders Tracey Washburn, Diana Dosmann, and Polly Vaughn combined with the pitching talents of Lisa Fosse and Shellie Hamlin gave the team its finishing touches.

The talent, dedication, and team unity that remained with the team through out the season provided for a successful team.

Track Team Hurdles To New Heights

The Track Team sprinted into the season aiming for record-breaking goals. They were led by field events Coach Mr. Doug Steensland, long-distance Coach Mr. Karl Weiser, and short-distance Coach Mr. Jock McLaughlin.

The track team was the first to use the new track and center field. Construction on the track and field progressed throughout the year at a total cost of $250,000. Outstanding performances in running events were given by Glenn Scott in the sprints, Jennifer Parkinson in the 400 meter run, and Cliff Jackson in the 200 two-mile run. Dean Scott and Caryn Calvert were fantastic in the 800 meter run.

In the field events, Deirdre Large and Melanie Awbrey out jumped all others in the high jump. Tammi Moorehead excelled in the long jump and Maria Haley's discus throw was the best of anyone's.

As Coach Weiser remarked proudly, "We had a super group of kids."

Reb Tennis Backhands Competition

The balance of youth and experience catapulted the Boys Tennis Team to a successful season. With the help of Coach Mr. Brion Bloomberg and six returning lettermen, the team achieved a competitive nature.

Four, three year lettermen, Russ Ladley, Steve Oordt, Mike Trout and Jim Sutherland along with Bill Bemente and Ed Jones provided the experience of the team. Rookies, Rowland Tegio, David Russo, and Kirk Johanson spirited the team with their youthful aggressiveness.

This balance was one reason the team performed so well.

"This is definitely as strong as any team I've had in my ten years of coaching at Juanita," expressed Coach Bloomberg. The eight man squad constantly competed with one another to gain the number one seed.

Reb Girls Strike For Top Title

"Enthusiastic togetherness creates the wins," expressed Girl's Soccer Coach Mr. Glenn Greer. "Though wuwins are not the number one goal, we do win!"

One of the many strengths were the returning veterans. Former All-Stars Hope Grimm and Nancy Neimeic, and former All-Star nominees Teresa Hei and Teresa Yocom seem to be the team's natural leaders. "Every player is vital to the team," offered Coach Greer. "Everyone works together."

There was not a set group who played varsity or J.V. games: they traded off and were fielded where they were necessary. Coach Greer, aided his son, Coach Scott Greer, taught them basic skills as well as the more complex art of working together as a team. Scott Greer relates, "It's really fun to coach the girls. They are quick to learn new skills."

Selecting the starting lineup became tougher throughout the season, there was so much talent to choose from. Coach Greer admitted, "It's a nice dilemma to be in!"

This year's finely tuned team completed their season by achieving their goals to enjoy the post-season tourneys.

Follow your dreams ...
Take one step at a time,
And don't settle for less
just continue to climb.
Follow your dreams ...
If you stumble don't stop
And lose sight of your dream
Press on to the top
For only on top
can we see the whole view
Can we see what we've done
And what we can do.
Can we then have the vision
to seek something new.
Press on and follow your dreams.

Homecoming: "Always and Forever"

To kick off Homecoming week on Friday, October 14, Juanita was invaded by the spirit of the 1950's. Greasers came with their motorcycles and old Chevys, sporting sunglasses, ponytails and poodle skirts. On Monday the Staff wore hats and T-shirts. Then, on Tuesday, the Sophomore class got their chance to show spirit by dressing in sports outfits. Wednesday, Juniors represented everything from "Wanted" posters to cowboys and indians on Western Day. October 20, was the traditional Senior Pajama Day. The Seniors gathered at Vips at 6 o'clock for breakfast and then congregated for their Parade through the halls. On Friday, October 21, the whole school participated in Red, White, and Blue Day to inspire the Rebels to beat Mercer Island at the Homecoming game that evening.

ASB Vice President Kim Douglass, and the Homecoming Committe did an outstanding job of organizing the event-filled week. Mr. Tim Crowder, "The 50's assembly was the best assembly I'd ever seen." Mrs. Karen Matsunaga stated that she's seen quite a few more students participating in the special dress-up days than in former years.

Tim,
It was fun getting high, and drunk. Stay cool and don't get high. Don't party too much this Summer. Take it easy or any way you can get it.

Paul Ingram

As the week came to an end the studentbody showed their spirit at the Pep Rally Bonfire. Friday school colors were the dress of the day for the Annual Homecoming Assembly. During the assembly spirit cheers were followed by the class skits. Mrs. Gloria Ceteznik summarized it as "Very enjoyable".

During the game against Mercer Island the Rebels were down at the half 7-0. During half-time class floats featured the theme "Always and Forever", as they paraded the field. Royalty included Mr. Charlie Walker III, Mr. Jock McLaughlin and Mrs. Diane Kuzaro as staff Royalty; Russell Tegio and Lynn Cromer for Sophomore Royalty; Jeff Jared and Candis Michel for Junior Royalty; Scott Gode and Katrina McNeal for Senior Royalty and Paul Angell and Carol Christiansen for the 1980 Homecoming King and Queen. The game continued but even with the Rebel Effort, the final score was 27-0.

The decorations sparkled when the stage lights hit them at the Homecoming Dance on Saturday, October 25. The band performing was Omega and Nancy Niemiec commented, "Everyone looked like they were having a good time and the band was alright."

Cheerstaff Bounces into 1981

The Varsity Cheerstaff bounced into action boosting spirit while inspiring students through posters, car caravans, assemblies and cheering at sporting events.

With the direction of Advisor Ms. Susan Martin, the 12 girls and the two yell-kngs Mike Bonney and Greg Awbry were equally divided into two squads to insure support at all sporting events. The squads' primary goal was raising spirit by acting as one unit. Together they had button sales, met in leadership class with their advisor Ms. Martin, prepared and carried out all pep assemblies, performed for Kamiakin Junior High, and cheered at spring sports.

Lead by head songleader Tammi Moorehead, the Songleaders attended Football, Gymnastics, and Basketball games. Cathy Valentine took the role of head Cheerleader, joining her squad at Volleyball, Wrestling and Girls Basketball games.

Completing their year on staff, the senior members conducted the spring clinic for try-outs. After the selection process, old and new cheerstaffs performed the 'Fight Song Routine' at the moving up assembly. The squads then presented their final dance routine to close out their year as the 1980-81 J.H.S Cheerstaff.

The J.V. Cheerstaff Hits Top

The Junior Varsity Cheerstaff jumped into action promoting spirit and pride.

Six talented girls were chosen in the spring and gained the support of a Yell King, Tony White in the Fall.

The J.V. Cheerstaff went to World Cheerleading Council at Central Washington University for a week in August. They learned how to lead and control a crowd. They also were taught new cheers and dance routines and how to display good leadership.

The squad has been an active part of the Pep Assemblies, cheering their class, and school on. Lead by Advisor Ms. Susan Martin, and Head Cheerleader Brenda Hansen the group works well together. They keep active with a busy practice and game schedule. The Squad is hoping to make their fall sweaters a tradition for upcoming Junior Varsity Squads.

The squad was received well by their advisor Ms. Martin she replied "The J.V. squad has been a tremendous group of young leaders to work with. Brenda Hanson has displayed superior leadership qualities throughout the year."

Drill Team Marches In Step

Under the direction of co-captains Beth Crimps and Anna Hernandez, Rebelettes marched in step. The drill team held summer practices preparing for the Moss Bay Parade July 12.

During the year they performed to "Another One Bites the Dust", "Back in Black", "All Night Long" and pep band songs. One of their highlights was the performance to a medley of songs from the 50's during the 50's celebration.

On December 6 the Drill Team marched in the Kirkland Snow Parade, placing first in the marching competition. In the spring they participated in competition with other drill teams.

"Jennifer Nield is a tremendous asset to the drill team since she has had so much experience" mentioned Beth Crimps. Jennifer has been a member of drill team for three years. "She always helps out in every way" concluded Anna Hernandez.

Advisors Mrs. Diana Kuzaro commented "I feel that they practice really hard and do their best every time."

Co-captains Beth Crimps and Anna Hernandez; Patti Hunt, Marie Herner and Ceci Crimps all helped to create routines for pep assemblies and halftime preformances, which demonstrated the superior enthusiasm of the Rebelettes.

Lexington, Total Eclipse Join Forces

The traditional school paper, the Lexington, advised by Mr. Dave Vannet featuring JHS sports and activities had a little competition this year in readership. Mrs. Rolynn Anderson advised students in creating a school magazine, the Total Eclipse, featuring concert reviews and articles on JHS activities.

Student Editors, Art Tanaka and Jamie Green of the Lexington staff supervised reporters Jim Cooley, Bill Rissler, Katrin Koopmann, Carsten Samusch, Shawn Ritter, Scott Honaker and John Tomchick in writing and editing Lexington articles while Peggy Sheeler and Jack Bohanan typed and took pictures for the paper. Michelle Murray and Betsy Berger did logos for the Total Eclipse as Mike Bryne, Todd Blair, Keith Christen, Trish Downing, Michelle Hansen, Dan Jonsson, and Connie Worthen wrote the articles and layed out the magazine.

Both came out monthly, both featured JHS sports and activities, both contained pictures and special features.

Government's Student Goal: Involvement

Juanita High students participated actively in Student Senate, and dealt with student involvment and reaction to the new attendance policy, Homecomingballots, and mandatory A.S.B. Card purchases. Students also brainstormed ideas for fundraisers, dances, concerts, and Spring Week.

"I feel students are more involved with Juanita than in past years." Said President Paul Angell. Paul, along with the other officers; Vice-President Kim Douglass, Secretary Lynn Weis, and Treasurer Andrew Ott met with Executive Board members every two weeks to plan and conduct Student Senate meetings.

The result of careful organization, determination, and complete follow-through yielded an active student calendar.

Cabinets Strike Up Spirit in '81

The class cabinets are organized in the fall to develop a game plan for their respective classes.

The Senior cabinet staged the Christmas tree sale, the Homecoming car bash, and Senior T shirts. Advised by Mr. Tim Crowder, and chaired by Scott Gode, the cabinet planned class activities.

The Junior cabinet sold the first ever Rebel sweatshirts, ushered at graduation, and operated the concession stand. The group was advised by Mr. Dave Vannet and Richard Godwin was president.

The Sophomore cabinet was advised by Mrs. Glo Ceteznik and Mrs. Jefri Donovon. They held a car wash plus sold Class of '83 T-shirts.

The class cabinets worked well for their classes involving many students. With the help of the cabinets the school year was a complete success.

Society Displays Fine Tuning

The Honor Society, advised by Mr. Jock McLaughlin, was an organization for students who excelled in school work and activities.

Becoming a member of Honor Society requires a 3.5 grade average and involvement in school activities. "If a student meets these standards they are always accepted," promised Mr. McLaughlin.

New members who have been accepted take part in a fall or spring induction ceremony; lighted candles symbolize their strength and unity.

Honor Society organized the Holiday Canned Food Drive and the Valentine "Love Is . . . " Tolo on February 14.

The officers were President Arla Pomeroy, Vice-President Kathy Durand, Secretary Julie Gibson, Treasurer Greg Ursich, and Public Relations Khiem Lai.

At graduation the Honor Society members were awarded a certificate from the National Honor Society and a gold cord to wear with their graduation robes.

"I look upon the Honor Society as a devoted group of students who are successful not only academically but socially as well. I feel priviledged to have been able to work with such a group," remarked President Arla Pomeroy.

D.E.C.A. Records Top Sales

Distributive Education, (D.E.) is a marketing class taught by Mr. George Spear. From the class D.E. Distributive Education Clubs of America, (D.E.C.A.) are created. In D.E.C.A. the members compete in marketing in the area, state and national contests, during conferences.

For Halloween Brad Lobdell and Mike Reed held a pumkin carving contest among 2nd period classes. Mr. Dave Vannet's and Mr. Don Lund's classes were the victors. During the Holiday Season Lisa Sanchez and Tina Fenkner managed a Gift Wrap Booth in the Totem Lake Mall.

Richie Solomon and Shawn MacAvoy showed movies throughout the year providing students with after school entertainment. D.E.C.A.'s all year Fund raiser was the Student Store managed by Lisa Field and Sue Smith. The store provided students with snacks and school supplies.

D.E.C.A. is helping to promote good business and leadership among Juanita High Students.

Foreigners Encounter Differences

Foreign Exchange Students from Germany, France, Mexico, and Ecuador participated in the 1980-81 exchange to gain an understanding of our language, cultures and school.

Three advisors assisted the exchange students. Frau Annelies Clauson counseled the German students, Senora Wilma Price, the Spanish-speaking students, and Madame Karen Matsunaga, the French student.

The exchange students participated in Hyak, the annual foreign language retreat. The Germans also built gingerbread houses.

The change in schools is sometimes difficult. "We expect the same of them as we do of any student in Juanita," explained Senora Price. Frau Clauson contributed, "They can relate to teachers more as friends here." In France we can't choose our own classes," related French student Patricia Guillot.

The exchange students didn't stay long but they provided us with a look at the language and cultures of a foreign country.

Drama Club Premieres Play Variety

The Drama Club enjoyed an outstanding season according to advisor Mrs. Ruth Tedder. Students interested in acting presented two plays, "Plaza Suite" and "Cheaper by the Dozen". The advanced drama students also performed scenes from Shakespearian plays.

The officers were President Steve McMillan, Vice-President Heidi Rasmussen, Secretary Barbara Sinclair, Treasurer James Borgman, and Historian Julie Anderson.

Drama Club members can become Thespians which is an honorary distiction for high schools actors. They were also eligible for scholarships.

"Everyone has done so well with the plays and everything. They have certainly met my expectations," praised Mrs. Tedder.

"Plaza Suite" was a three-storyline comedy by Neil Simon. It concerned the remantic problems of people staying in Room 719 at the Plaza Hotel. The first act involved a man having an affair with his secretary. The second act was about a superstar who is visited by an old school mate. In the third act a nervous bride locks herself in the bathroom minutes before the wedding and her parents try coaxing her out.

"Cheaper by the Dozen" was a true story about an efficient man with twelve children. He spent his time devising ways to save time while his teenage daughters spent time thinking about boys, causing misunderstandings on both sides.

Band Adds To The Rebel Beat

The music department displayed talent under the direction of Mr. Bruce Gutgesell for instramental expression and Mr. Tom Reich for vocal. Both directors felt that the students did their best performing.

Separately each department participated in their own KingCo festival conference at Shoreline community college. Each recieved outstanding ratings.

The Pep band played at a January Juanita Sonic game; the vocal jazz groups sang at several retirement homes; while the choir caroled around the school at Christmass time.

With over 200 active participants the music department has supported and encouraged the superior qualities of Juanita High School's environment.

Band Adds to the Rebel Beat

Eighty-five dedicated students comprised the Symphonic Band. From this band came the personnel for the Stage Band and the Pep Band. Students who joined the performing groups at Juanita automatically committed themselves to several concerts throughout the year. Credits and grades were determined by attendance, attitude, self improvement and committment to the group.

Mr. Bruce Gutgesell, band director, commented "the Symphonic Band was represented well by all the musicians in the group." Miriam Jennings flutist, was selected to perform in the All-Northwest Select Band. Both the Symphonic Bad and the Stage Band met daily.

Pep Band, was an extracurricular activity and met Tuesday and Friday mornings at 7:00. "This showed dedication and was the main reason they performed at the January 7 Sonics' game," commented Mr. Gutgessell.

The Music Department continued to grow and each performer was extremely dedicated. The enthusiasm has added to the spirit of Juanita.

Enhancement Project Successful

The three year Salmon Enhancement Program has proved successful. A salmon hatchery has been constructed and maintained in Juanita's own backyard.

Advised by Mr. Gib Moore, the Marine Biology class watch over and take care of the life and survival of several hundreds of thousands of salmon.

Because of the amount of buildings being constructed in the Juanita Creek area, damage is visible to our wildlife. Erosion from upstream, and sewage from every house in the area has been the immediate cause.

The Enhancement Program has received help from Government agencies, including King County Resource Planning, and Metro. The project is known statewide, being the first of it's kind at a High School.

The class is rewarding as well, everybody works together and each person has a task they must complete each week. Russ Ladley, Patty Heidel, Karl Hartquist, David Lutz, and Robert Stewart have all enjoyed the project with at least one year of experience apiece. As Mr. Moore states, "We are one big happy family."

Greenhouse Robs Sun's Energy

The Solar Greenhouse a student project is nearing completion. Students in 6th and 7th period building construction classes put the roof and siding on, the final steps in the building progress. A fifth period shop class has also been put together to produce furnishing for the interior.

The Solar Greenhouse is a building designed and built by students. The money for the development of the greenhouse came in part from a Federal Grant given to Juanita by the U.S. Department of Energy. The grant was for $20,000 and was received after a High School Conservation Fair in which the design for our solar greenhouse received the grand prize for excellence in three catagories.

Under the direction of Advisor Mr. Tom Short, Kari Rodewald was in charge of the Press Corp.; John Oban was superintendant of 6th period and Rob Eaton was superintendant of 5th period. Jodi Doar was in charge of design while Matt Perrin worked as safety officer and Steve Worley was in charge of leadership.

The Solar Greenhouse should be finished by next year, and will be a great contribution to Juanita High School facilities. Advisors of the greenhouse are talking of using the greenhouse as a classroom facility, to include classes of all subject areas. This will enable all students to have the opportunity to use and benefit from the unique structure in their years at Juanita.

Rock

Rock & Roll Bands Lead Ten Year Musical History

LED ZEPPELIN: *Jimmy Page, John Paul Jones, John Bonham, Robert Plant. Loud, grinding, pounderous, thunderous Rock & Roll. Rumbling bass and drums. Peircing vocals. Whiplash guitar riffs. A musical institution whose albums are dubbed gold upon release. Their concert tours are constantly sold out, and every move finds its way to their legions of fans.*

THE WHO: *Peter Townshend, Keith Moon, Roger Daltry, John Entwistle. The Who, one of the last visible traces of the British invasion of the early sixties rock scene. On stage they are dangerous, with Moon smashing his drums, Daltry swinging his mike, and Townshend windmilling his guitar before finally smashing it during the finale.*

THE ROLLING STONES: *Mick Jagger, Keith Richards, Brian Jones, Charlie Watts, Bill Wyman, additional members: Mick Taylor, Ron Wood. Mixing mascara with menace, the stones have taken their hard-hitting brand rock from the clubs of London to the biggest concert stages of the world over a period of a decade and a half. Today they are arguably the biggest rock attraction in existence.*

AC./DC.: *Cliff Williams, Angus Young, Malcolm Young, Phil Rudd and Brian Johnson (replacing Bon Scott). Loud, some say annoying, but very popular Rock & Roll. AC/DC has come a long way in the last few years, producing many fast-moving, ear-racking tunes.*

BRUCE SPRINGSTEEN: *Poet? Street punk? Hype? Springsteen has been accused of being all three. In truth this charismatic singer-songwriter-guitarist is a little bit of everything, encampassing the best element of Rock & Roll from the '50's, 60's and the 70's.*

PINK FLODY: *Rick Wright, Nick Mason, Roger Waters, David Gilmore (replacing Syd Barret). The first rock group to come on stage armed with a light show. They were also one of the first English groups to play San Francisco-style psychedelic rock.*

LYNRD SKYNARD: *Ronnie Van Zant, Allen Collins, Gary Rossington, Billy Powell. Leon Wilkeson, Artimus Pyle, Steve Gaine. They were rough, tough and plenty mean. They were one of America's all time greatest, hard-hitting rock bands and their songs will be remembered and enjoyed for a long time to come.*

BOB SEGER: *Until recently this long-haired, raspy-voiced man just didn't get the breaks. After a dozen or so years in the music business, he became an overnight sensation.*
tion.

HEART: *The voices of Ann and Nancy are beautiful and their songs meaningful. Seattle's own Heart, because of the talents of the sisters and the rest of the band became popular all over the world.*

VAN HALEN: *Voted 79's fastest-moving new band, Van Halen has not disappointed its fans. Wild and exciting they have captured the attention of a lot of young fans.*

Preppy, Western Looks Top Chart

The fashion scene at Juanita included a wide array of styles, colors and cut. No matter what look you desired, coordination with individual pieces came easily. Both ladies and gentlemen wore a rainbow of styles; casual, dress, preppy, active sportswear, and workmen. Students were seen in a daily mix and match atmosphere.

Ladies casual wear included: striaght legged jeans teamed with blazers over plaid shirts; the western look high lighted with cowboy boots and hats; the preppy look of high collars, skinny ties and penny loafers. The ultra-casual included workmen overalls, painter pants and the basic jeans.

On special days, the sophisticated look was achieved with wool skirts and vests, silk dresses and speciality fabric pant coordinates.

Accessories played a integral part in each style of the fashion scene. Casual accessories included jewelry, high-heel shoes, belts and lepal ornamentation. Pearl necklaces, textured hose, the classic pump shoe and monogrammed sweaters were predominate accessories with the sophisticated look. Men displayed a toned-down version of each look in their daily clothing styles. Sweaters over dress shirts were popular teamed with jeans or slacks. Gentlemen often added a blazer to pull the look together. Natural earth tones were favored color with the gentlemen.

Popular head gear included felt cowboy hats, and logoed baseball hats. All mens styles included a limited display of jewelry.

School fashion was individual, one day western, then sophisticated, then casual, with each person dressing for their daily activities.

Sample Fashions:

The staff at Juanita High School has worked as a team throughout the year. Each had their own specialty, but combined for one goal; to prepare students for their life after high school.

As a new addition to the Homecoming festivities, there was a staff royalty competition. Mrs. Deane Kuzaro was Empress while Mr. Jock McLaughlin and Mr. Charlie Walker III shared the title of Emperor.

Changes in our staff positions included Mrs. Margaret Setchfield as Principal. Mr. Charlie Walker III took the job of Vice Principal in charge of discipline.

Juanita students had an opportunity to have Mrs. Joanne Jones, and exchange teacher from Hawaii, teach them for the year. Mr. Morrie Schneider took her place on the Island of Hawaii.

The entire staff at Juanita High School really care about the students and their needs for later life. They are an active contributer to Juanita's uniquie open atmosphere.

Don't get too wasted in your car this summer (unless I'm with you.) I hope your stage light breaks in a thousand pieces and you never sell it and I hope you get mass pipe bowl burns all over your arms and then they'll have to send you back to Hawaii to be eaten by the sharks, so have a good one,

Time cannot steal the treasures
That we carry in our hearts,
Nor ever dim the shining thoughts
Our cherished past imparts . . .
And memories of the ones we've loved
Still cast their gentle glow,
To grace our days and light our paths
Wherever we may go.

Tim or Jeff;
Fredor Tom;
You really should start practicing the guitar. I'm serious, if I need to learn any Black Sabbath songs then I'll call you up. FOB-BO-CHEE-AHHD Cunt isn't a Rush freak and he doesn't know it. Try to get a descent band together once you get better and try not to let it slip.
